GIFTS OF SECURITIES TO THE INSTITUTE OF CONTEMPORARY ART/BOSTON

Gifts of securities can provide you with valuable tax benefits while allowing you to support the Institute of Contemporary Art/Boston with a charitable donation. Shares can be transferred electronically by notifying your broker that you wish to make a gift of securities to the ICA. Your broker may need written authorization from you including the name of stock and the number of shares before the transfer can be made. Please notify the ICA to expect the transfer—include the name of stock(s) and number of shares, as your name may not remain attached to the securities transfer. Notifying the ICA of an impending securities transfer helps avoid delays in receipt and recording of your gift. Instructions regarding a transfer of securities may change, so it is important to verify the ICA's current information prior to each gift:
